GreenPass Welcomes Queensland Customers

For those of you who have recently received a GreenPass Card but haven't had a chance to get to Plantmark, come down to Merrimac and you'll be impressed.

Purchase your plants and gardening products such as pebbles and pots all at the one location. There are thousands of plant varieties to choose from including natives, exotics, advanced trees, tube stock, fruit and vegetables and much more.

Deliveries can be arranged for large orders.

Plantmark is open from Monday to Friday 7:30 to 5:00pm.
Address: 178 Gooding Dve, Merrimac (Exit 77 of the M1).

PLANTMARK CLEARANCE SALE

Sat 20th & Sun 21st March 9am-2pm

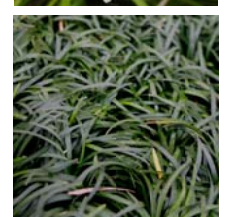

Plantmark is having a huge Clearance Sale on selected stock on the 20th and 21st of March. Take advantage of the weekend opening hours where you'll be sure to pick up a bargain amongst the large range of plants and gardening products.

Plantmark also have Super Specials on right now. There are plenty of Murraya's in stock which make great, fast growing hedging or screening plants. Only \$19 for 30cm and \$25 for 40cm stock. Bargain!

Strelitzia's are on sale too. They are great for planting along fence lines or around your pool or entertaining area to create that Eco-Resort Style of Garden. Only \$12 for 25cm stock and \$22 for 30cm stock!

Planning to plant out large areas with ground covers or grasses? Grab loads of quality tube and 10cm stock at clearance prices. Get Ophiopogon japonicus 'Nana' (Mondo Grass), Dietes, Lomandra, Trachelospermum jasminoides (Chinese Star Jasmine) and Cordylines starting at just \$0.50!

All prices ex GST and only while stocks last.

Landscape Design Service

Having a beautiful and functional garden is a great way to add significant financial, aesthetic and personal value to your new home. To assist you in completing your gardens, Plantmark can refer you to The Garden Planners, who offer a convenient and affordable Landscape Design Service.

For just \$349, you will receive a Garden Consultation at your house with a professional Landscape Consultant. This will include a site inspection and assessment.

Following the consultation, a personalised Garden Design will be created by a Landscape Architect that is suited to your site conditions, and personal preferences. Styles of gardens you may select include sub tropical, formal, native, and minimalist to name a few.

Contact **The Garden Planners** on 07 5665 3373 or email them at info@thegardenplanners.com.au

Please note areas serviced include Brisbane to Tweed Coast only.
